

### **What is SSEAP?**

SSEAP (Social Services Employment Assistance Program) exists within Small Seeds Development Inc., and takes a new approach to helping its participants gain and retain employment. We offer a wide variety of services , that not only help individuals prepare and search for employment, but also work on areas that may prevent someone from being able to retain employment. These services include:

Coaching  
Financial Education  
Community benefits  
Education advancement coaching  
Health & Wellness  
Job Placement

### **How we can help you:**

We offer trainings, webinars and a host of other coaching and supportive services, that meet your every need in terms of finding employment, furthering your education and establishing financial peace , all while maintaining a healthy and purposeful life.

### **Eligibility Requirements:**

Whether you are looking for employment, looking to better your financial education, or just brush up on your interviewing skills, we will be able to assist you in any way that we can!

If interested, click on the link below to fill out the form, and we will get in contact with you! If you have trouble opening the form, give us a call at the number below and we will ensure that you receive it.
